Mrs Backus begs the Honorable & Reverend Board of Trustees of Hamilton College, to accept her grateful acknowledgments, for their munificent donations to herself & family, communicated in their Resolution of the 17th March. This act of Benevolence is the more highly appreciated, as it is considered an evidence of their approbation of the conduct & services of her deceas'd Husband, whilst at the head of that Institution.

She regrets that circumstances will not permit her Son Robert, to avail himself of the liberal provision intended for him.

Her best wishes for the prosperity of the College & for the individual happiness of the Gentlemen of the Board, with whom her, beloved Husband was once so intimately connected, will only cease with her existence -
